## ***OCCUPATIONAL HEALTH METRIC DECISION BRIEF***

Col Jack Jeter  
HQ ACC/SGPB  
25 Jun 04

# ***Way Ahead***

- **Metric that indicates “health” of Occupational Health Program**
  - **Patterned after ESORTS**
  - **Objective criteria consistent with proposed DoD metrics**
  - **Indicators useful to all levels of command**

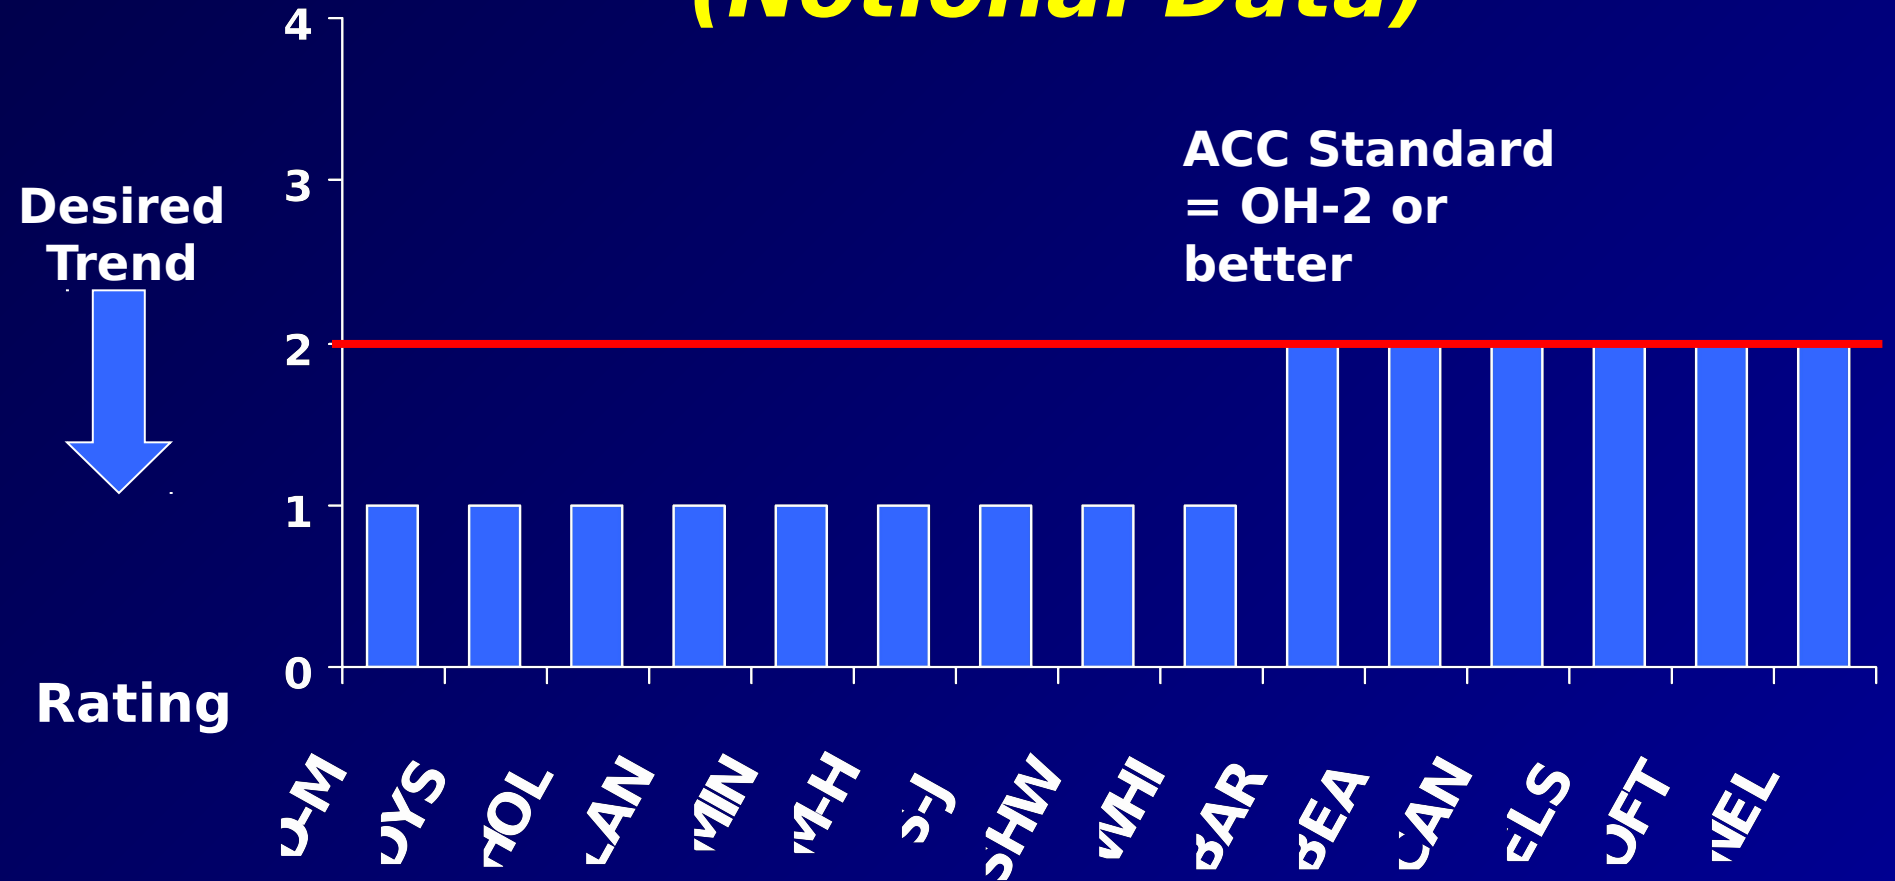

# ***Proposed Solution OHSORTS***

- **3 Pillars**
  - **Shop Surveillance - how we see our workers**
    - **Routine Shop Visits Conducted**
    - **Risk Rating for Hazards**
  - **Occupational Exams - how our workers see us**
    - **Occupational Exam Completion Rate**
  - **External Compliance Audits - how others see both**
    - **ESOH CAMP Findings**
    - **Health Services Inspection Findings**

# OH SORTS COMMAND SUMMARY (Notional Data)

1 = No Problems      2 = Minor Problems  
3 = Major Problems      4 = Program Failure

OPR:

POC: Maj Dave Kauth, DSN 574-1273

# ***Recommendations***

- **ESOH LC approve OHSORTS metric**
- **ESOH LC approve quarterly standard rating of OH-2 or better**
